Message to Student-Athletes and Their Parents

Dear Student-Athletes and Parents,

You are receiving this handbook because you have indicated a desire to participate in the interscholastic athletic program(s) at Notre Dame Regional Secondary School. We are very pleased that you have an interest in our athletic program(s), and we hope that your experiences will be positive as well as educational. Participation in athletics *is a privilege*. Athletics give students the opportunity to learn leadership skills, foster self-confidence, self-discipline, and encourage setting goals. The Athletic department aims to instill in the student-athlete excellent sportsmanship, a strong work ethic, and a spirit of cooperation, leadership qualities, and such personal character traits as integrity, loyalty, spirituality and maturity.

We believe a comprehensive athletic program is vital for the educational development of our students. Notre Dame Regional Secondary has a deep desire to maximize participation and enjoyment and hopes to instill a pride of school and community both in its student body and alumni.

Once students have been selected to represent Notre Dame, there are often many questions, which both students and their parents may have regarding our Athletic Program. We hope this booklet will be of assistance, and we encourage you to use it as a reference throughout the year. If you have additional questions, feel free to contact the *Varsity Coach* or the *Athletic Director*.

Here are the sports that we presently offer at Notre Dame:

FALL SPORTS: Football, Girls Volleyball, Girls Field Hockey, Cross-Country, Sr. Boys Soccer

WINTER SPORTS: Basketball and Wrestling

SPRING SPORTS: Tennis, Track & Field, Girls Soccer

Yours in sport,

Mr. J. Garcea

Athletic Director- jugglerathletics@gmail.com

Responsibilities of a Notre Dame Athlete

The following information will help everyone understand the responsibilities each student-athlete must abide by in order to participate in interscholastic athletics.

The purpose of the interscholastic athletic program at Notre Dame is to provide student-athletes with an enjoyable and challenging athletic environment that emphasizes the attainment of both physical skills and strong character development.

The fundamental basis of our program is the view that coaches are teachers and role models of the standards we expect from the student participants. All students who wish to participate must make a serious commitment to their team.

Expectation and Standards

1. Athletes are to be dressed in the official team uniform when representing Notre Dame in an athletic contest. These uniforms are to be worn only for athletic competitions and **not** for physical education classes or recreational use. ***The wearing of uniforms by Varsity athletes on a game day is permissible on special occasions as determined by the Athletic Director and the school's administration**.*
2. School personnel make every effort to keep the locker rooms secure; however, it is the student-athletes' responsibility, **not** the responsibility of the school, to look after their own school issued equipment and their own belongings. Athletes are encouraged to leave valuables at home or in their lockers.
3. The locker area **must always** be kept neat and clean.
4. Training supplies are expensive and must be used wisely. Tape and pro-wrap are for the care and prevention of injuries **ONLY**.
5. Players and coaches are to travel as a team to and from contests, unless special arrangements have been made with the parents and the coach.
6. Athletic practice and areas of play will be specifically scheduled for team use. A team is to have exclusive use of the facility during the assigned time, and ALL members are to leave at the end of that time.

General Athletic Information

What to do before a tryout?

The responsibility to know when tryouts are held is on the student. All teams hold at least two (2) tryout meetings. Look for posters, NDTV, and or listen to school announcements. At the tryout meetings, varsity coaches will review specific dates, times, locations, and expectations. See the coaches' phone directory and contact the varsity coach if you have any questions or concerns.

Athletic Clearance

In order for a student to participate in a sport, they must first complete the Athletic Clearance Form which their respective coach will have on hand to distribute. This form includes the following:

- ☛ **Athletic Clearance Form** - contains emergency and proof of insurance information (care card #), along with a contract that must be signed by both the student and their parent/guardian, which states that they have read and understand all rules pertaining to our athletic program.
- ☛ **Physical Form** – highly recommended that an athlete acquires a physical examination for each year he/she participates in a sport. Physicals are good for one year only from their examination date and must be signed and dated by a physician.
- ☛ **Athletic Rules/Agreements** – Notre Dame Athletics is guided by BC School Sports Athletic Rules and Regulations. It is **encouraged** that you and your child read and understand these rules and regulations. You can download information at www.bcschoolsports.ca
- ☛ **Athletic Fees:** Every athlete will be charged a set fee for athletic participation. These fees go directly into the athletics budget, and help Notre Dame obtain equipment, uniforms and necessary items to help improve all of our athletes. There **may** be additional fees for some teams during a season based on out of town trips or other necessities. Parents will always be notified of these fees well in advance of the scheduled due dates.

After completing the Athletic Clearance Forms, student-athletes must return signed forms to the teams' Head Coach. Students must complete the Athletic Clearance Form and obtain a clearance slip before competing in a sport. The appropriate copy **must** be turned in to their Head coach. (See Tryout Policy and Procedure in Appendix.)

Insurance Coverage/Risk of Participation

All student athletes **must** have medical insurance coverage to participate in a sport. Participation in interscholastic athletics can lead to possible injury. Although most injuries are minor in nature, it is possible that a severe injury could occur. *Notre Dame High School and its staff take every precaution to prevent such injuries, but such risk does exist.*

In- Season Team & Parent Meetings

At the beginning of the school year, an Athletic Parents Meeting is held so all parents understand valuable information concerning the Athletic Program and vital team information. Parents of those players selected are required to attend this important informational evening. It is our hope that this meeting will be a vehicle for effective, open, and appropriate communication among the coaches, players, and parents.

Team Rules

Notre Dame Regional Secondary requires the athlete's compliance with the established team rules, procedures, and instructions of the coach. Coaches have the authority to suspend an athlete temporarily for failure to comply with rules and procedures or when the athlete's safety or the safety of others requires such action. Permanent removal from the team may occur only after consultation with the Athletic Director. **(See Rules and Guidelines in the Appendix.)**

Academic Eligibility*

Each student **shall** maintain a 2.0 grade point average [73%] to maintain eligibility. Students are to be enrolled in seven (7) classes. Students receiving a failing or incomplete grade **will not** be allowed to participate in games or practices until they achieve passing status. If a student does not achieve a 2.0 based on extenuating personal circumstances he/she **may apply** for a one-time Athletic Hardship Waiver. An Athletic Hardship Waiver request must be submitted within five (5) days from the date that the student is notified of his ineligibility.

Attendance

In order to participate in an athletic event, a student **must** have attended all of their classes for that day. If a student has a medical appointment or a family emergency on the day of an event, a note of verification must be presented to the coach. The Team Coach may give prior approval for the student athlete to attend such functions. A student suspended on a given day is **ineligible** to participate in any extra-curricular activity on that day.

Family Vacations

When parents and athletes choose to take a vacation away from school during a sport season, it must be understood that the time missed by the student athlete can affect team chemistry and personal conditioning. Student athletes who miss practices or team events, may alter their playing time or position. Coaches shall make every effort to inform parents and student athletes of the season's schedule as far in advance as possible.

Transferring Schools

Transferring from one school to another may affect a student's athletic eligibility under the rules of BC School Sports. Students must check with the Athletic Director and their coach if they have transferred from another school and or district.

Practices

The coaches and availability of an appropriate facility (due to on-going construction) will determine practice times. Depending on the sport, practice are held in the morning, after school (2:45 p.m.), or in the evening. All practices are to be completed by 9:30 p.m. and **no** practice should exceed a 2½ hour time period. ***No practices are to be held on Sundays before 12:00pm;*** however, many of our teams will have Saturday practices, tournaments, etc.

Quitting or being removed from a Team

Each athlete will have a two-week period, after a previous season ends, to decide if he/she wants to stay on a team. If an athlete quits after 2 weeks, he/she **will not** be allowed to participate on another team until approved by the Athletic Director. If an athlete is removed for disciplinary reasons, the athlete may not participate in another sport until the team he or she was removed from completes its season.

Drugs and Alcohol Consumption

There is a **ZERO TOLERANCE** policy on any athlete consuming drugs and/or alcohol. If a student is identified as using, selling, or possessing drugs or alcohol they will be **immediately removed** from a team. Our policy gives the student specific boundaries that are enforced; there is no place for drugs and alcohol in athletics. Athletes with substance abuse problems are encouraged to talk to their coach, Athletic Director, or Grade Level Coordinator [GLC]. Athletes who come forward for help will be given assistance and will not be subject to this rule; however, this must occur before the student athlete is caught possessing, selling, or using alcohol or other drugs. See (**Rules and Guidelines sheet for more information.**)

Making the Team

Not everyone makes a team; although, some teams have a no-cut policy. High school athletics are competitive. Our philosophy is to keep as many students as possible on the freshman and junior varsity levels without compromising the skills necessary to represent these programs. Selecting teams is the sole responsibility of the coaches.

The Notre Dame Athletic Department and its staff are willing to discuss concerns or problems that may arise, and we are willing to hear concerns by using the aforementioned procedure. *Playing-time, selecting positions, technical and team strategies, and preparation and team selection is the **sole responsibility of the coach.***

Transportation

Notre Dame will provide athletic transportation when available at most events for players and coaches except on some weekend days and/or holidays. On those occasions and various other contests, coaches must arrange carpools. Parents and athletes must have all appropriate forms and documents on file with the school administration prior to driving to and from athletic events. All carpooling will begin and end on school property. Students **may not** transport themselves to any athletic contest when transportation is provided by bus or carpool. Out of town trips or tournaments (outside Metro Vancouver) by a team **will** result in an ***added*** travel cost to be covered by the players on that team.

Recognition of Student Athletes

Student Athletes are recognized by placing a key focus on their academic achievements.
Students will receive recognition at our annual Athletic banquet by receiving certificates.

- 🏆 **Principals' List** – Students with a **89.5%** or higher
- 🏆 **First Honors** – Students with a **85.5% to 89.5%**
- 🏆 **Second Honors** – Teams with a **79.5% to 85.5%**
- 🏆 **Honorable Mention** – **75% to 79.4%**
- 🏆 **Female Scholar of the Year** – Senior Award
- 🏆 **Male Scholar of the Year** – Senior Award
- 🏆 **Juggler of the Year** – Senior Award
- 🏆 **Participation Certificates** - All Levels
- 🏆 **Varsity Letter** - for Varsity Athletes

Lettering Guidelines

The criteria for earning a letter may vary from sport to sport. The Athletic Director along with the Principal will determine the criteria necessary for earning team awards. The Administration along with the various coaches will make athletes aware of the criteria at the beginning of the season.

Student Athlete/Parent Concerns

To keep open the lines of communication, students are encouraged to follow this procedure:

Step 1: Athletes to discuss their concerns directly with the coach.

Step 2: Athletes and parents(s) should discuss concerns with the coach.

Step 3: Contact the Athletic Director with concerns.

Step 4: Contact the Vice Principals

Step 5: Contact the Principal.

Fan Conduct

Unsportsmanlike behavior will not be tolerated during athletic events. Student and or athletes along with parents will be subject to **immediate removal** from team and/or event if evidence is shown to support unsportsmanlike behavior.

Athletic Tryout Procedures and Policies

PRIOR to tryouts, each athlete must turn in the following to your coach:

- ☑ **Health Form** (recommended). The Health Form is good for one year. NDRS policy states that only a medical physician can administer a physical examination to our athletes. Please have the physician's office stamp and date the form.
- ☑ **Emergency Information.** The Athletic Participation Form provides important medical emergency information as well as contractual agreements that must be signed by both student-athlete and parents attesting to their willingness to follow all Athletic Department, Section, and BCSS Policies. A new form must be turned in every time a student tries out for a sport. Return all forms together to your coach.
- ☑ **Collection Periods:** Forms and Fees may be turned in on the following dates.
**Do not turn in forms prior to these dates, please.*

Fall Sports	Sept 1st	Football, Boys Varsity Soccer, Volleyball, Girls Field Hockey
Winter Sports	December 1st	Basketball, Wrestling
Spring Sorts	March 1st	Girls Soccer, Varsity Tennis, Track

Athletic Clearance will be issued to a student when they have submitted all required information (#'s 1 & 2 above). Athletes will give a copy of the Athletic Clearance Form to the coach on or before the date of tryouts.

Extracurricular and Co-curricular Activities

CODE OF CONDUCT

Notre Dame Regional Secondary offers an extensive program of extracurricular and co-curricular activities. Notre Dame has established eligibility requirements to participate in these programs, as outlined in the student agenda and athletic policies. The following Code of Conduct outlines these expectations:

Student Name: _____

School: _____

Activity (Sport/Other Extracurricular/Co curricular): _____

I recognize that participating in the extracurricular and/or co-curricular activities offered at Notre Dame High school is a privilege and not a right; thus, this privilege can be revoked for failing to meet Notre Dame's eligibility requirements and behavior guidelines, including enrollment and grades (minimum GPA of 2.0), attendance, and use of prohibited substances (alcohol, controlled substances, steroids). Upon verification by administration, students will be removed from the team/activity they are participating in for possession or use of prohibited substances, for the remainder of the season or activity.

I understand that by participating in these activities, I not only represent myself, but my team or activity, my school, and the CISVA. As such, I agree to the following:

- ND Be enrolled and passing a **minimum** of seven classes with a **minimum** GPA of 2.0.
- ND Attend **all** classes on the day of an event, practice, or contest;
- ND Have no more than 2 (two) unexcused lates or absences with a week
- ND For athletics, all paperwork must be on file with the school;
- ND **Refrain** from any possession or use of tobacco, alcohol, or illegal drugs including steroids;
- ND Behave in a manner consistent with Provincial guidelines for student conduct outlined by BCSS.

I have read and clearly understand the expectations outlined in the Code of Conduct and The Six Pillars of Character and agree to abide by them.

Parent – Coach Communication

Both parenting and coaching are extremely difficult vocations. By establishing an understanding of each position we are better able to accept the actions of the others and provide greater benefit to the student. As parents, when your son(s) and daughter(s) become involved in our athletic programs, you have the right to understand the coach's expectations.

Communication You Should Expect From the Coach

- ND Philosophy of the Coach for all levels of play
- ND Expectations the Coach has for your son/daughter and the team
- ND Locations and times of all practices and contests
- ND Transportation procedures and fees (if applicable)
- ND Team requirements (i.e. fees, special equipment)
- ND Procedures should your son/daughter become injured during practice, game
- ND Discipline measure (i.e. missing practice, being late, etc.)

Communication Our Coaches Expect From Parents

- ND Concerns expressed directly to the Coach
- ND Notification of any scheduled conflicts well in advance
- ND Specific concerns in regard to coach's philosophy and/or expectations

Appropriate Concerns to Discuss With Coaches

- ND Treatment of your son/daughter
- ND Ways to help your student improve and handle team membership roles

Issues Not Appropriate to Discuss With Coaches

- ND Playing time, line-ups, player rotation
- ND Team strategy
- ND Play calling
- ND Other student-athletes

In order to keep communication open among students, parents, coaches, and administration, we ask that the following procedure be followed. We encourage conferences to take place if they are needed:

1. The student is encouraged to discuss concerns with the Coach.
2. Parent must contact the Coach with concerns.
3. Parent, Coach, and student are required to meet.
4. **If the concern is not handled at the Coach/parent level, then the parent must put the concerns in writing and contact the Athletic Director.**
5. The Athletic Director will meet with the Coach and present parent concerns and discuss possible solutions.
6. The Athletic Director will set up a meeting with all parties concerned.
7. If the concerns cannot be resolved at this meeting, the Athletic Director will take the matter to the Vice Principal.
8. If the matter cannot be resolved at this level, it **may** be taken to the Principal.

We are hopeful that this step-by-step procedure will help foster positive communication and promote a resolution to the issue of concern.

Squad Makeup and Squad Level Philosophy

The following guidelines serve as a model in determining our teams:

Freshman / Grade 8 Sports – The purpose of the freshman level is to do the following:

- ND Develop and refine basic fundamental skills
- ND Develop the physical abilities of the athlete
- ND Develop and refine team concepts
- ND Implement the “program’s system”
- ND Determine the students’ continued involvement in the sport
- ND Provide playing time to all participants at coaches’ discretion
- ND Foster the ideals of sportsmanship, work ethic, and “teamism”

Junior Varsity Sports – The purpose of the junior varsity level is to do the following:

- ND Further develop skills of the athlete
- ND Further develop physical abilities of the athlete
- ND Increase intensity of competition
- ND Continued refinement of the “system”
- ND Prepare the athlete for the varsity level
- ND Provide opportunities for playing time as game conditions merit
- ND Continued emphasis on sportsmanship, work ethic, teamism

Varsity – The purpose of the varsity level is to do the following:

- ND Develop skills and physical condition of the athlete to his or her full potential
- ND Allow the talented athlete the chance to excel and prepare for the collegiate level of competition
- ND Provide athletes with the opportunities to set goals, strive to achieve them, and serve as role models for younger athletes
- ND Strong Focus on the Development of Team Concepts and Sportsmanship

The focus of the program is to be communicated to team members in the preseason. The varsity team will consist of primarily seniors, **but Junior Varsity athletes who have demonstrated the ability to be starter or key contributors also may be members of the team. Juniors must show the potential to be varsity players over the next two years to be members of the team.*
