Dear Parents,

In early April Notre Dame received some good news from the Ministry of Education in that an additional amount of money was made available to independent schools in the province. This special purpose grant is to be used for improving learning resources, supplies and equipment in schools. Total provincial funding to school districts in the province amounted to just over \$24 million of which \$2 million is provided to Independent Schools in the province. Our school received an additional \$20 000.

I am happy to outline to you how we have made use of this provincial windfall as illustrated in the table below.

Learning Priority Area	Funds Used For	Amount
STEM Program	Technology and Program Materials	\$15 000
PE Dep't	iPads (Staff and Peer Assessments)	\$5 000
	Total	\$20 000
	Total Special Purposes Grant	\$20 000

These funds have helped our school better serve your children and serve to further enhance our commitment to excellence in Catholic education in the Archdiocese.

Sincerely,

Mr. R. DesLauriers
Principal
