

Dear Parents,

Thank you to all who were able to attend last week's Annual General Meeting. **This message, along with the attachment**, is meant to serve as a follow-up to that meeting for those in attendance and, equally important, to those who were not.

This year, as always, we are strongly encouraging all families to participate in our Voluntary Capital Assessment campaign. However, this year is different in that we are now at a crossroad; on one side is the future athletic complex, and on the other side is the Notre Dame community.

We have a potential benefactor to ensure the funding for our multi-million dollar facility. Before proceeding, that benefactor wants to see every member of our community show their support and commitment to this project.

This will be an addition that will be available to and used by all students: as a classroom, a training and competition site, and a gathering area for assemblies and formal events (such as a graduation commencement).

For the two sides to join forces in the immediate future, members of our community must Vote YES!

A Vote of YES means the following:

- **It means that you, indeed, want the field complex completed by next fall**
- **It means that you will agree to contribute to our Voluntary Capital Assessment**
- **It means that you will all consider what you can contribute as opposed to what you can't**
- **It means that you will fill out the contribution envelope (located in the registration package) and return it with your registration package on March 5, 6, or 7**

Without all of us voting yes, the project may be delayed indefinitely, so please..... **Vote**
