*The above event is for students only. Parents and Guardians we look forward to meeting you at Meet the Teacher night on **Wednesday, September 13th, 2017.***

Notre Dame Regional Secondary School

2880 Venables Street | Vancouver, BC | V5K 4Z6

July 22nd, 2017

Dear Parents, Guardians, and Students:

On behalf of the Notre Dame community, we want to welcome all incoming students and their families. We have reserved the entire first day of the school year to welcome the graduating class of 2022 to the Juggler family! This day is to give an opportunity for everyone to become familiar with their new home away from home.

On **Tuesday, September 5th**, we will spend the day at the school doing various activities to get students ready for the year ahead. They will meet the administration, their teachers, their peer mentors, and their classmates. While many of them will be coming from the same elementary school, high school is a place and time where they can (and will) make new friends and build strong, life-long relationships.

The day is designed to help students get ready for high school; please refer to the “Shape of the Day” for more information. During the morning breakout sessions, students will either be with their Flex class, or with their peer mentors doing various activities to get to know each other. In the afternoon, students will be assigned their locks and lockers as well as run through their new high school schedule.

With guidance and support, we hope that the day will ease the transition from elementary to high school and calm any anxieties and nerves about their very first days, weeks, months, and year at Notre Dame. If you have any questions, please do not hesitate to contact any of us.

Sincerely,

Mr. Jon Tagulao
Vice-Principal
jtagulao@ndrs.org

Ms. Filipovic
Grade Level Coordinator
afilipovic@ndrs.org

Shape of the Day (Subject to Change)

9:00-9:20am: Welcome and Introductions

9:20-10:15am: Mass
