

Parent/Guardians,

Please see the information below regarding Parent-Teacher Conferences, Network Issues and Report Cards.

**Parent-Teacher Conference**

Parent-Teacher Conferences will take place Wednesday, Dec 12th(2:30-4:30pm/6:00-8:00pm). Booking information will be emailed and posted on the website Friday afternoon.

**Network Issues Repaired**

We had a network issue that affected our internal systems, such as email and our phone system. We apologize for the issues and we have now fully repaired our phone and email system which are now functioning. Thank you for your patience.

**Report Cards**

Unfortunately, the network issues delayed the release of our report cards. The report cards will be release early next week for parents/guardians to view. The parent portal has undergone a change, login instructions to family accounts and access report cards will be sent out.
