Mail your returned item(s) back to Cambridge. Once received and checked a refund will be issued for the value of the item being returned. Please ensure a completed Return/Exchange Form is provided with the returned item(s). Shipping charges apply.

Option #2: Non-rush exchange

Mail the returned item(s) to Cambridge Uniforms. Once the item(s) are received they will be checked to ensure they abide by the return policy. You will be notified by email upon receipt of the return. The new item(s) will then be shipped to your home. Please ensure a completed Return/Exchange Form is provided with the returned item(s).

Uniform Care Guide

Did you know that school uniforms are worn 180 days in a school year? That is a lot of wear on an article of clothing. Our focus at Cambridge Uniforms has always been to provide durable and quality garments. How the uniform is washed plays a large role in the garment's longevity. Here are some helpful washing tips:

Sweaters 100% Acrylic Cardigan, Pullover, Vest	Cold water wash, dryer at low heat. Do not hang dry or lay flat to dry. (Do not wash with abrasive items such as towels, Velcro, or zippers.)
Tartan Poly/Viscose Kilt	Cold water wash , hang to dry. Recommended to dry clean once a month to refresh pleats. (Do not wash with abrasive items such as towels, Velcro, or zipper.)
Skort Poly/Viscose	Cold water wash , hang to dry. To maintain pleats, press with a cool iron. (Do not wash with abrasive items such as towels, Velcro, or zippers.)
Dress Pants Poly/Viscose	Cold water wash , hang to dry. The pants can be put in the dryer; however, static may occur.
Dress Shirts Poly/Cotton	Cold water wash , dryer at a low heat. White dress shirts can be spot treated with bleach, do not soak in bleach.
Golf Shirts 100% Cotton	Cold water wash , hang to dry. Can be put into the dryer, however as with all cotton products, this will cause fabric shrinkage and fading on coloured golf shirts. White golf shirts can be spot treated with bleach, do not soak in bleach.
