Let's continue our success this year! The funds from the 2018 Walk-a-Thon at Notre Dame Regional Secondary will provide the Scoreboard for our field as well as computers and other technology. Your support in this year's campaign makes a difference so that we can benefit and complete our state-of-the-art facility!

How can you help? Support a student by grade level by making an online donation (include the student name in the comments section as noted). Multiple prizes are awarded in categories by student and grade level. All proceeds go directly to Notre Dame.

Donations are tax receipted. Additional funds will help support other areas of our school, such as the remaining costs with the school bus, building needs and other upgrades.
