Notre Dame Advancement Fund Family Pledge Form

Notre Dame is pleased to announce that the construction of the final phase to complete the school building has begun and is projected to be completed January, 2015. In order to complete this phase, Notre Dame has borrowed seven million dollars. This loan was made available thanks to a large number of our school community who voted in favour of a capital assessment fundraising campaign at a special general meeting hosted last June. An overwhelming majority agreed to support by donating a minimum of \$400 per year. Because this constitutes a voluntary contribution, it is a payment that is eligible for a tax receipt, which dramatically reduces the actual cost to the family. Your support is crucial to the completion of this project. Notre Dame thanks you in advance for your continued support.

Notre Dame recognizes that some families are unable to support the requested amount; and therefore, we are asking for families to make a generous gift consistent with their financial circumstances. Every donation counts. Gifts of \$100/month (over a five year period) will be considered a major gift and will be viewed with special gratitude.
