

# Mid-Term Reporting through Parent Portal

Notre Dame parents can now access Mid-Term Progress directly through the PowerSchool Parent Portal; log in at <https://ndrs.powerschool.com/public/home.html>.

These grades will be available to view online until Sunday, November 21.

Upon login, parents should see a **Grades/Attendance** table like this:

Attendance By Class																				
Exp	Last Week					This Week					Course	S1	S2	L1	Absences		Tardies

## Please Note: Courses in Grades 8 and 9 use Standards-based reporting.

- 0% is not the student's actual standing; percentages are not being reported at this time as most courses remain in progress.

- Select the **Standards Grades** tab (on top of the Grades and Attendance table), and then Expand All, to see how a Gr8/9 student is doing on assessed competencies for each subject. Standards will appear like this ⇨

Course Name		Teacher Name
Standards	Term	
Course Code Course Name		
Standard	DEV	
Standard	PRO	
Standard	PRO	
Standard	PRO	
Standard	DEV	

- For completed S1 Term 1 courses (e.g. Foods 8), select **Grade History** under the Navigation menu to see the final grade.
